3 — red
4 — green
5 — black

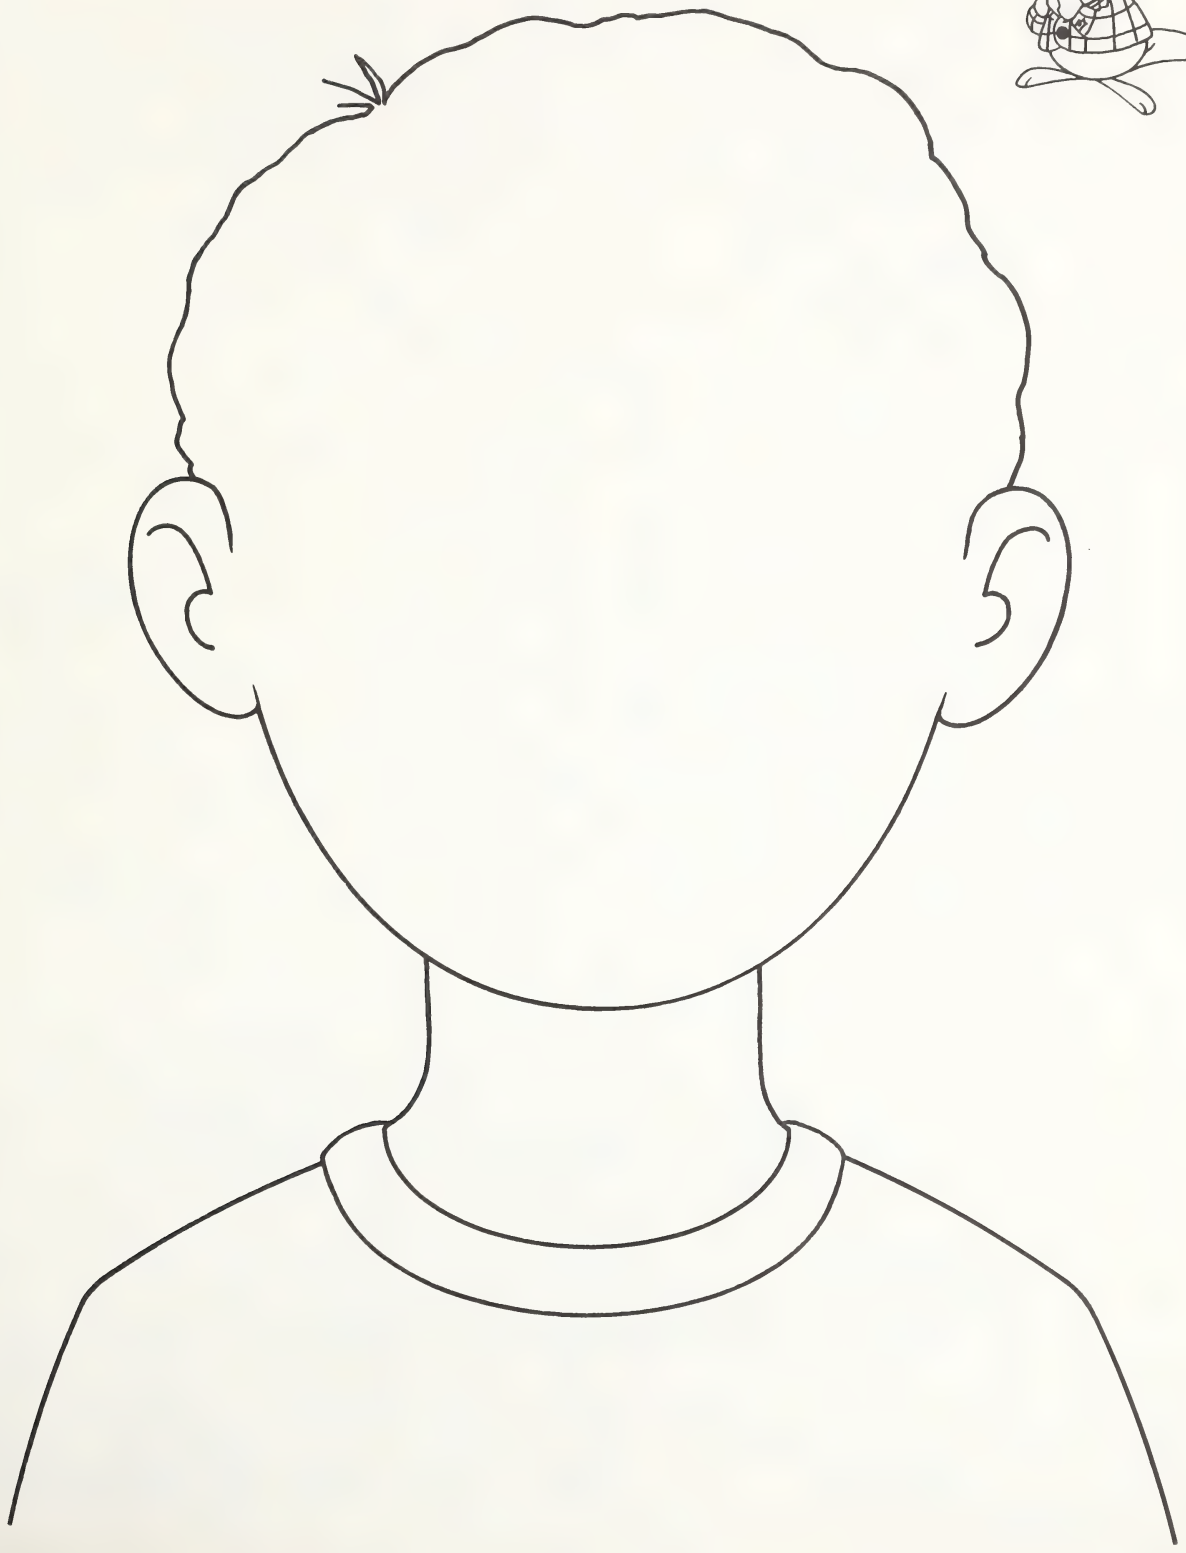
SPLASH!

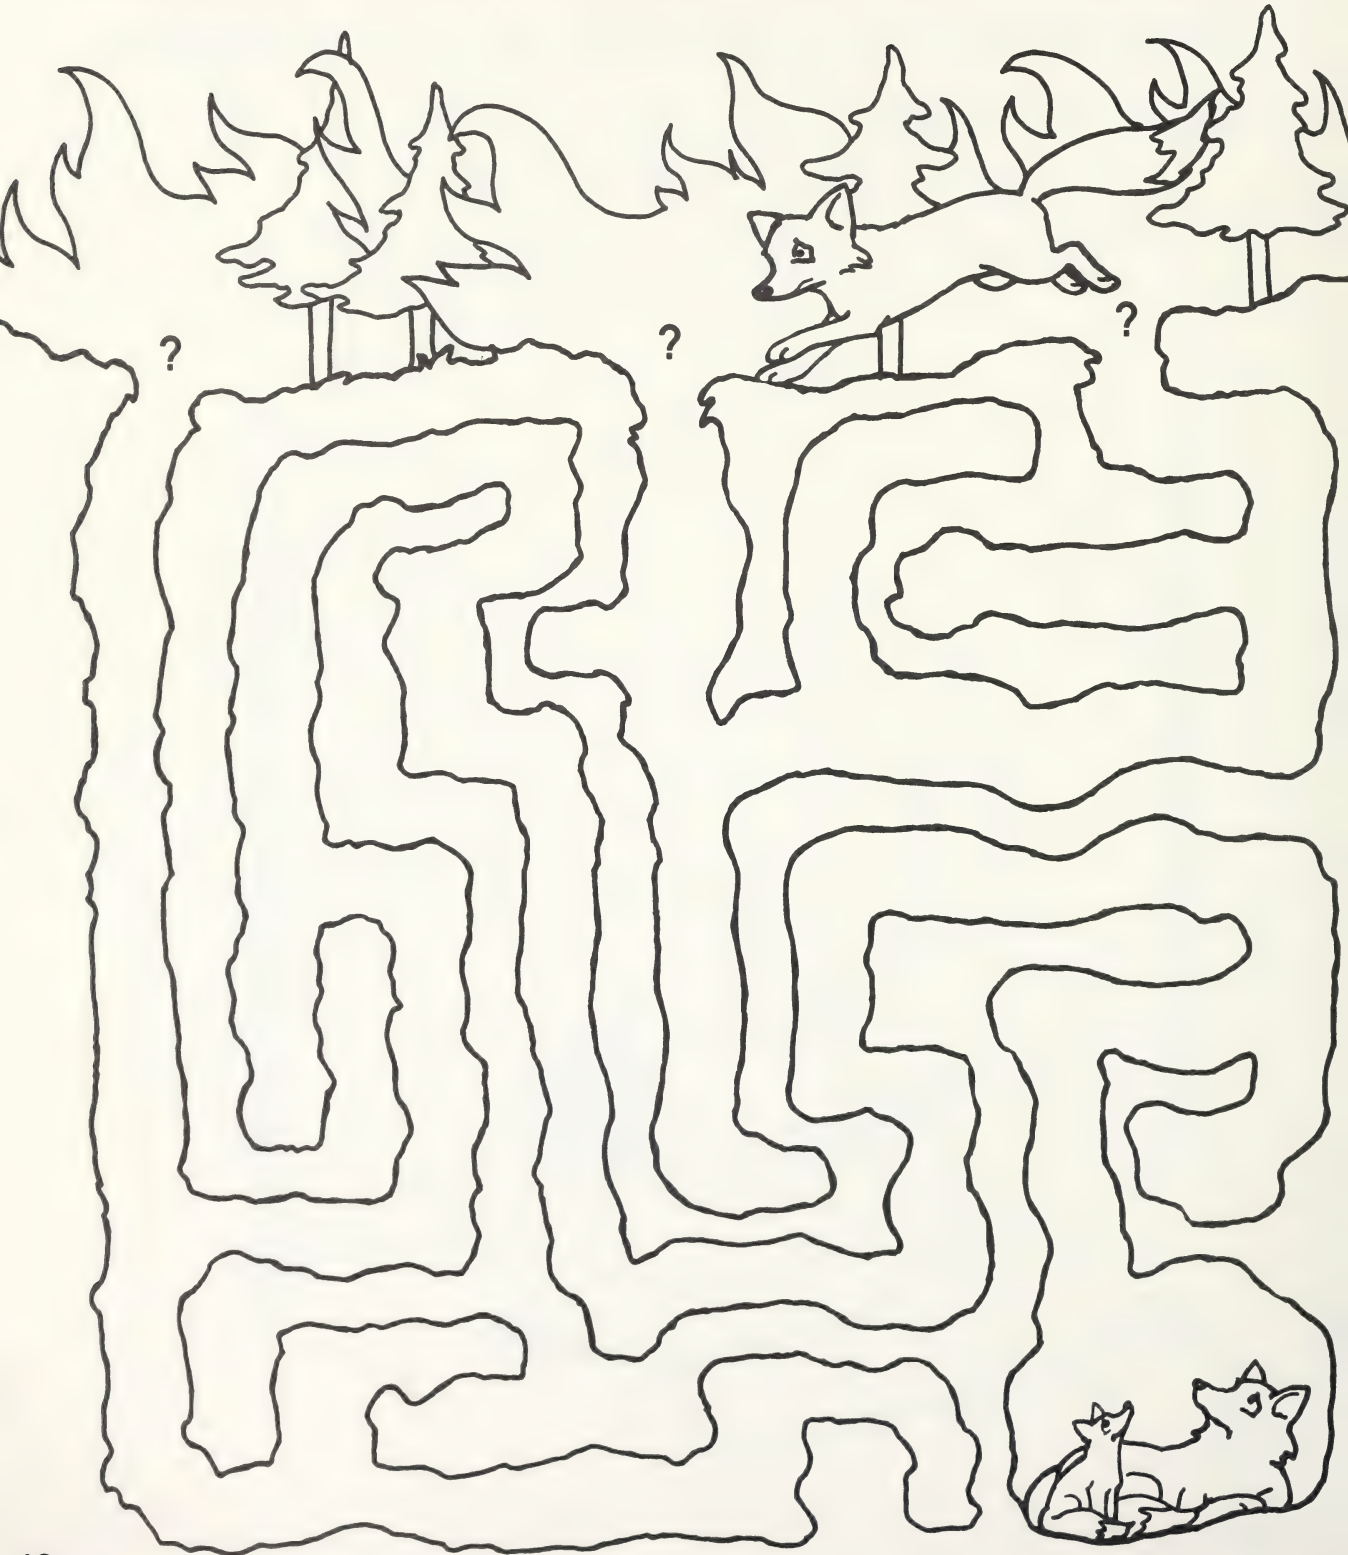
Can you help the men in this helicopter find the fire and put it out?

The fire is out. The trees, flowers and animals are all gone. Help the trees to grow. Draw the new trees, flowers and animals. Make it a happy place again.

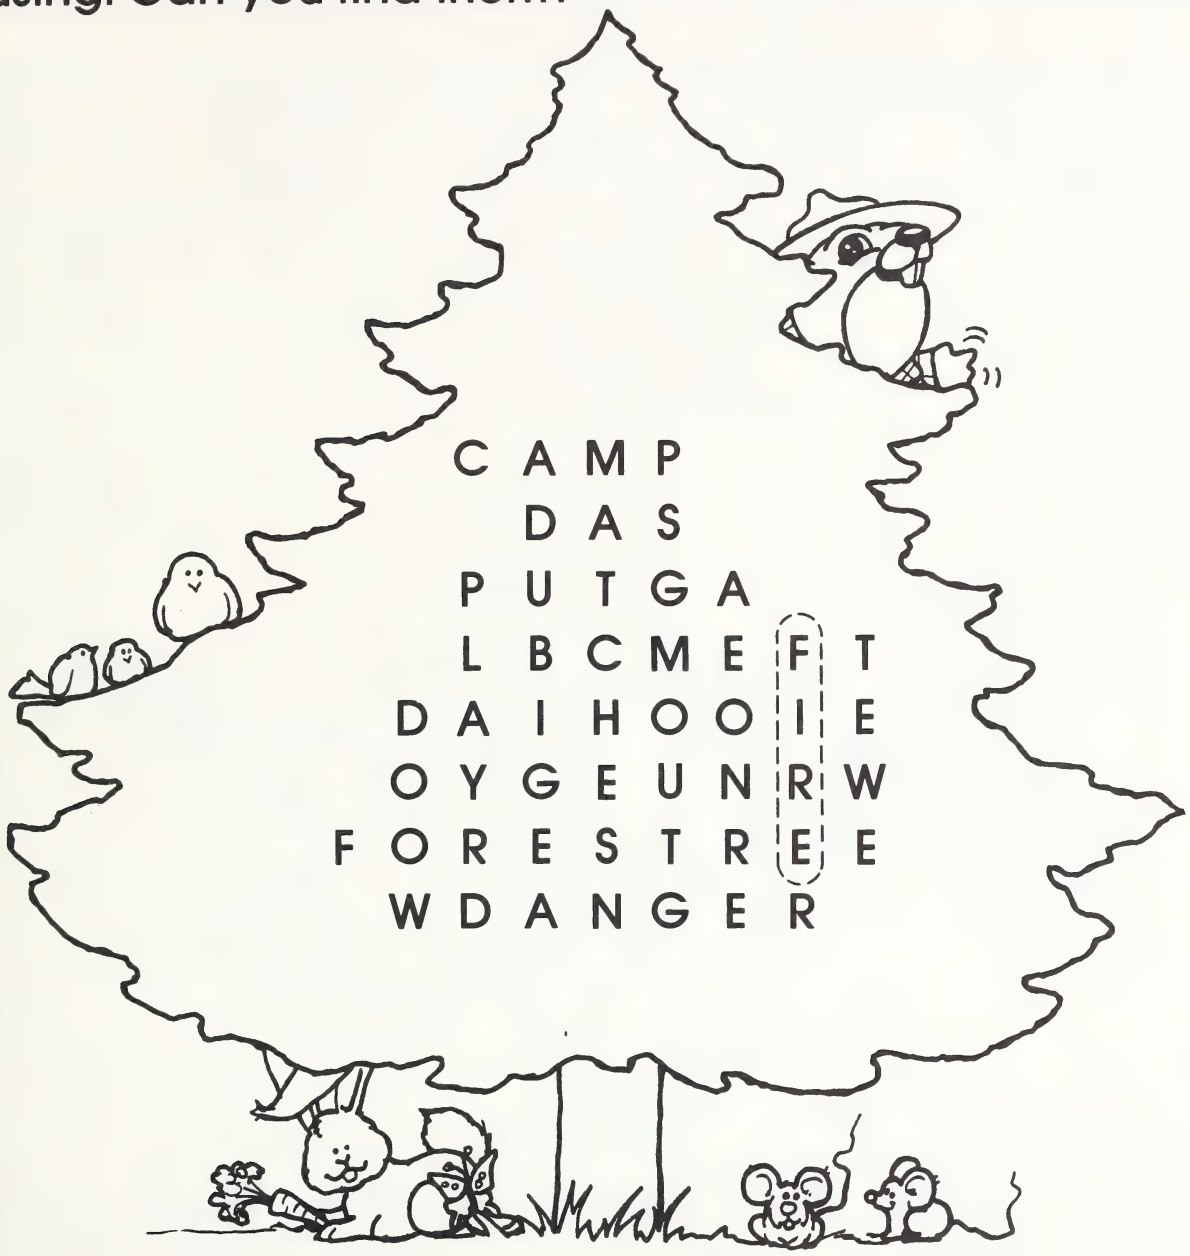
Fire can hurt. You are very sad. Finish the picture.



Fire kills, the animals run and hide. Which hole will lead the fox to his friends and safety?



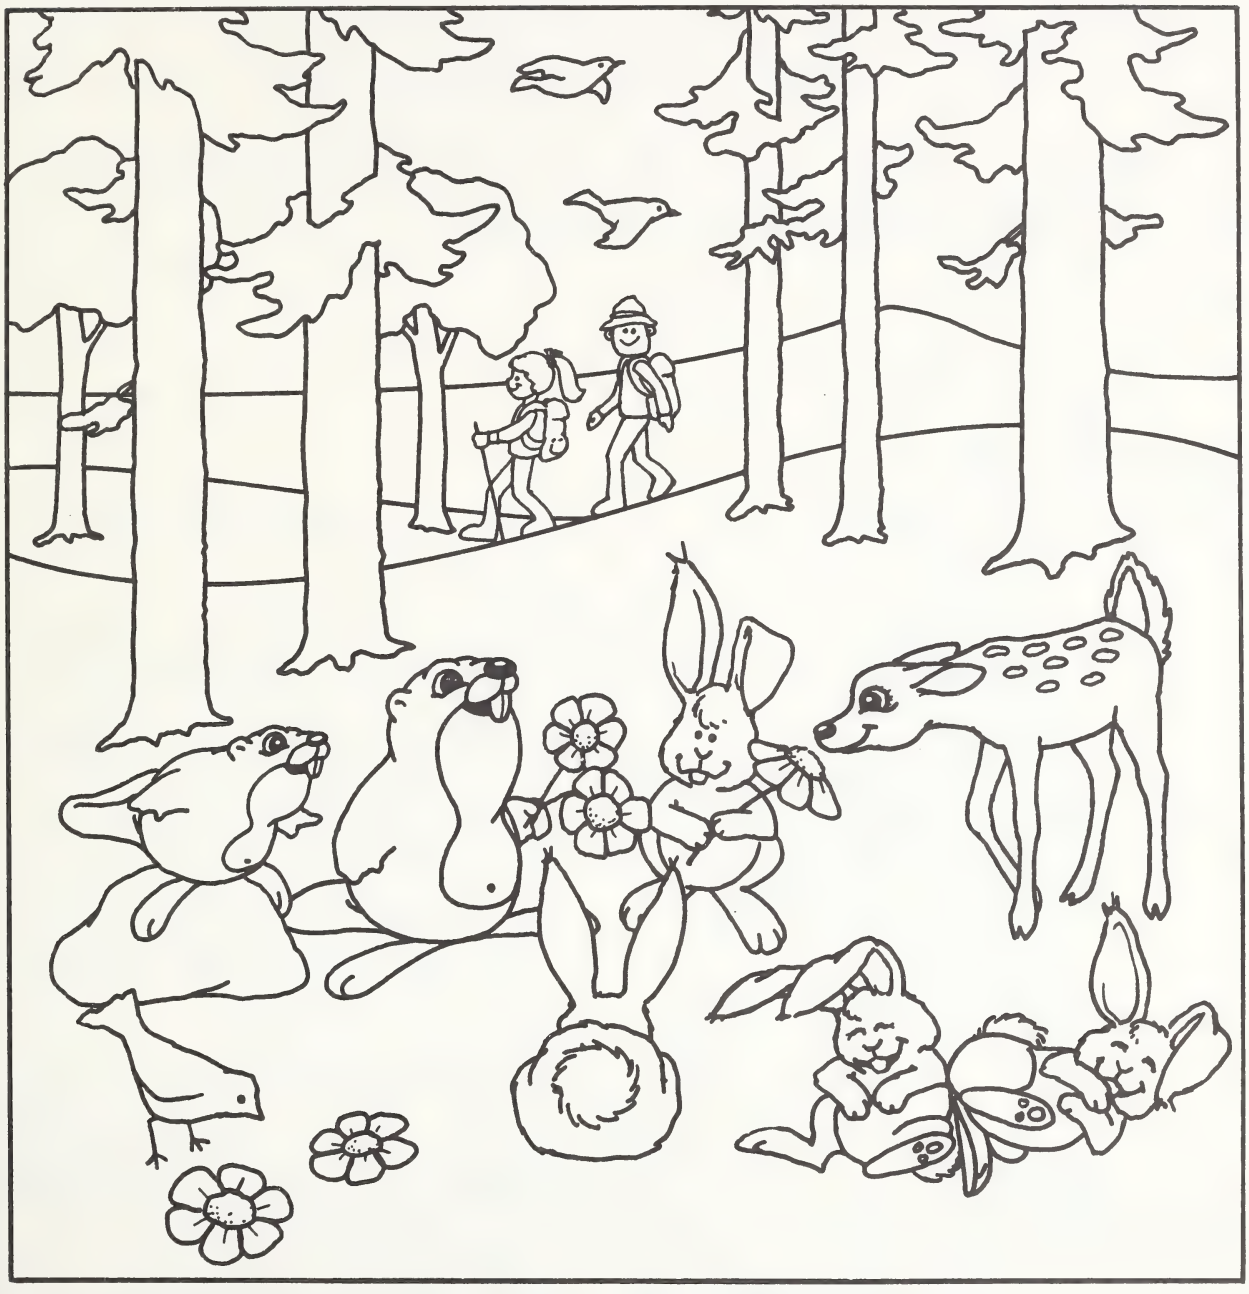
Hidden in the tree are some words we have been using. Can you find them?



ME	NO	PLAY	MATCHES
FIRE	BIG	DANGER	FOREST
TREE	SAD	PUT	OUT
SAFE	CAMP	WET	WOOD

Trees give us wood for making things. From wood we can make paper. Put an X on **5** things that come from trees.

The forest gives us many good things.
How many of each good thing can you find?



Write the number in the square.

trees ☐ birds ☐

flowers ☐ deer ☐

rabbits ☐ beavers ☐

Bertie Beaver says:

- Basements should be well lighted.
- Keep dangerous things out of reach.
- Keep a place for everything.
- Store trash in a safe place.

Match a sentence with a number in the picture.
Write the number in the box.

These children are playing with **DANGER!**

Think!

What may happen?

SAFE or **NOT** SAFE?

Mark the picture that is not safe with an **X.**
